

An aerial photograph of a modern outdoor swimming pool. The pool is rectangular with a light blue tiled deck surrounding it. In the top left corner, there are two lounge chairs with white cushions. In the top right corner, there are two potted plants: a small succulent in a grey pot and a larger cactus in a tan pot. In the bottom left corner, there is a large, dense green shrub. In the bottom right corner, there is a low stone wall. The text "STEEL swimming pools with" is in a smaller font, and "CREOGARDEN" is in a large, bold, white font. Below it, "CATALOGUE 2025" is in a smaller font. At the bottom, the website "www.creogarden.fr" is displayed in a white font on a dark background.

Swimming pool

Transform your garden with Creogarden

Treat yourself to a swimming pool without major construction work or endless delays. With Creogarden's STEEL steel pool kits, enjoy an elegant and durable pool, ready in just two to three days.

Simple, fast, efficient

Designed to be easy for anyone to install, our pools can be set up easily by two people, without any special skills. The compact kit is delivered anywhere in the UK, even in areas that are difficult to access.

100% French quality and manufacturing

Manufactured in France with Magnélis® steel, our pools offer exceptional strength and guaranteed corrosion protection, both inland and by the sea. Environmentally friendly and designed to last, they combine performance and French expertise.

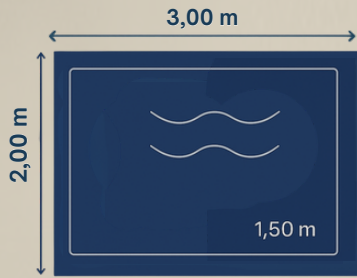

A pool that reflects your personality

Choose the shape, dimensions and finishes to create a unique pool that blends perfectly into your garden.
